FANCY A C*LD ONE?

C*LD TOWN BEER IS EDINBURGH'S NEWEST, 4%, SMALL-BATCH LAGER.

Born with Scottish history at its heart and named in honour of the Calton Hill Brewery in Edinburgh; the first brewery in Britain to brew lager, back in 1835. This ancient brewery was situated in the Edinburgh suburb, Caldtoun, at the bottom of a large hill. 183 years later, we now know that place as Calton Hill and we know our beer as Cold Town beer!

To produce great beer, we need a great brewer and a shiny, new brewery. We made Dunedin Street home to Cold Town Brewery and found ourselves an experienced 'ed brewer, Ed! Ed Evans has years of experience within the industry and in his words,

“the challenge to create something new and exciting from a blank canvas was too good an opportunity not to pursue with both hands”

THE AIM?

We're not trying to win awards for being the most hoppy, most crafty, most bizarre, small-batch beer in the industry. We just want to create some tasty beers that you lot enjoy drinking.

**BEER FOR BEER'S SAKE.
BEER FOR SIMPLICITY'S SAKE.
SO, FOR OUR SANITY'S SAKE,
LET'S JUST CALL A BEER A BEER.**

Cheers!
